This form along with My Success Plan (Business Plan) shall together be constructed as a validly entered contract (upon its acceptance) and the Distributor. Vestige shall be bound by the terms and conditions herein. The Distributor shall not commence/undertake Vestige business unless it has duly executed this form and has acceptance of the same in terms of Vestige's policy.
- Each applicant should be at least 18 years of age, 21 years in case the applicant is based in Maharashtra, at the time of application, to become a Vestige Distributor.
- The contract between the Distributor and Vestige is on a principal-to-principal basis. The signing of this form/application by a Distributor and its acceptance does not bind the Distributor as an employee or agent of the Company.
- Distributors are not permitted, under any circumstances, to advertise, market or deal in any manner with any product and/or services, which are not approved by Vestige in its network.
- The Distributor shall not make any claim that is not consistent with claims authorised by Vestige.
- The Distributor shall attend the mandatory orientation (face-to-face/online session) given by Vestige regarding provision of fair and accurate information on all aspects of the direct selling operation, remuneration system and expected remuneration for newly recruited distributors. The date of such an orientation session will be available to the Distributor on the company's website.
- The Distributor shall take appropriate steps to ensure protection of all confidential information provided to him/her by customers.
- Husband and wife, desirous of becoming Distributors have to be sponsored under a single distributorship. If the spouse is already a Distributor, then the other must join as a part of the same business.
- In case, a Distributor has disclosed in the DAF that he/she or any of his/her family member has/had been a Distributor of Vestige in present/past, then the Distributor is joining Vestige at his/her own risk. If any evidence of Cross Sponsoring or any other violation of the DAF and the My Success Plan (Business Plan) are found, the Company will be entitled to take steps as per the terms of the My Success Plan (Business Plan), including the termination of the Distributor ID and shifting of the network as per the My Success Plan (Business Plan).

In case, the Distributor submits a nomination form either at the time of the submission of the DAF or subsequently, the nomination made in the nomination form shall take precedence over the nomination made in the DAF, in case of a conflict.
- In case, it is found that any information submitted through the DAF is wrong/inaccurate or the KYC documents are forged, fabricated or altered, the Company will be entitled to take steps as per the terms of the My Success Plan (Business Plan), including the termination of the ID and shifting of the network as per the terms of the My Success Plan (Business Plan).
